Elevated Performance for Supercharged Productivity

- Powered by Intel® Core Ultra's AI architecture for enhanced performance and energy efficiency.
- 16GB LPDDR5X 6400MHz RAM accelerates resource-intensive tasks.
- With 512GB of storage, there's ample space for large files, ensuring a consistent workflow.
- Blazing-fast Wi-Fi 6E speeds enable smoother streaming and faster downloads.
- Files automatically sync to File Manager, providing offline access to Google Docs, Sheets, and Slides.

Expertly Crafted for a Premium Work Experience

- An 8M camera and AI-powered tools enhance video call quality.
- The WQXGA (2560x1600) 500nits display, featuring a DCI-P3 100% panel, fosters visual creativity.
- Supports up to three 4K monitors with Thunderbolt™ 4 USB-C® and full I/O ports.

Secure and Reliable Work Companion

- Enterprise Upgrade ensures laptop safety through Google Admin Console updates.
- Google Zero-Touch Enrollment streamlines device deployment, facilitating seamless scalability for enterprises.
- Swift and secure login via fingerprint sensor.
- Built-in security features include data encryption, Google Safe Browsing, and the Titan C2 chip for robust data protection.
- Meets MIL-STD 810H Standard for versatile use in any environment.

¹ Battery life may vary based on device and upon usage and other conditions.
